I rejoiced with those who said to me, "Let's go to the house of the Lord."
Psalms 122:1

Welcome to Walnut Memorial Baptist Church! We are grateful to have joined us for worship this morning. Please feel free to worship, however the Lord leads you. If you are a guest joining us this morning, we want to say welcome! If you've never filled out a connection card please do so and turn it into our Connection Center. We have a gift that we would like to give you!

This morning we will be looking at the third part of our series "Avoiding the Little Gray Church." In the first two parts of our series we were challenged with the question: Is this God's church or our church?

Last week we were challenged with the importance of unity. Each week we have highlighted the differences between the essentials of our faith, our convictions, and our preferences. I pray the Holy Spirit will speak to us through His Word this morning.

There are a couple things that I would like to share with you: I am very excited about our discipleship initiative! Yesterday was the first training of those who have been called out to disciple others. Our desire is to be very intentional in the area of one-on-one discipleship. We are thankful for Pastor Shane and his leadership in this area.

I also want to encourage anyone who would like more information about our afterschool ministry to meet in the fellowship hall right after service. Whether you are being called to pray for this ministry, or plug-in and serve in it; this meeting is for you.
